

KOMBINATORIKA

NIKOLA VALOVÁ, ADE, 2. ROČNÍK

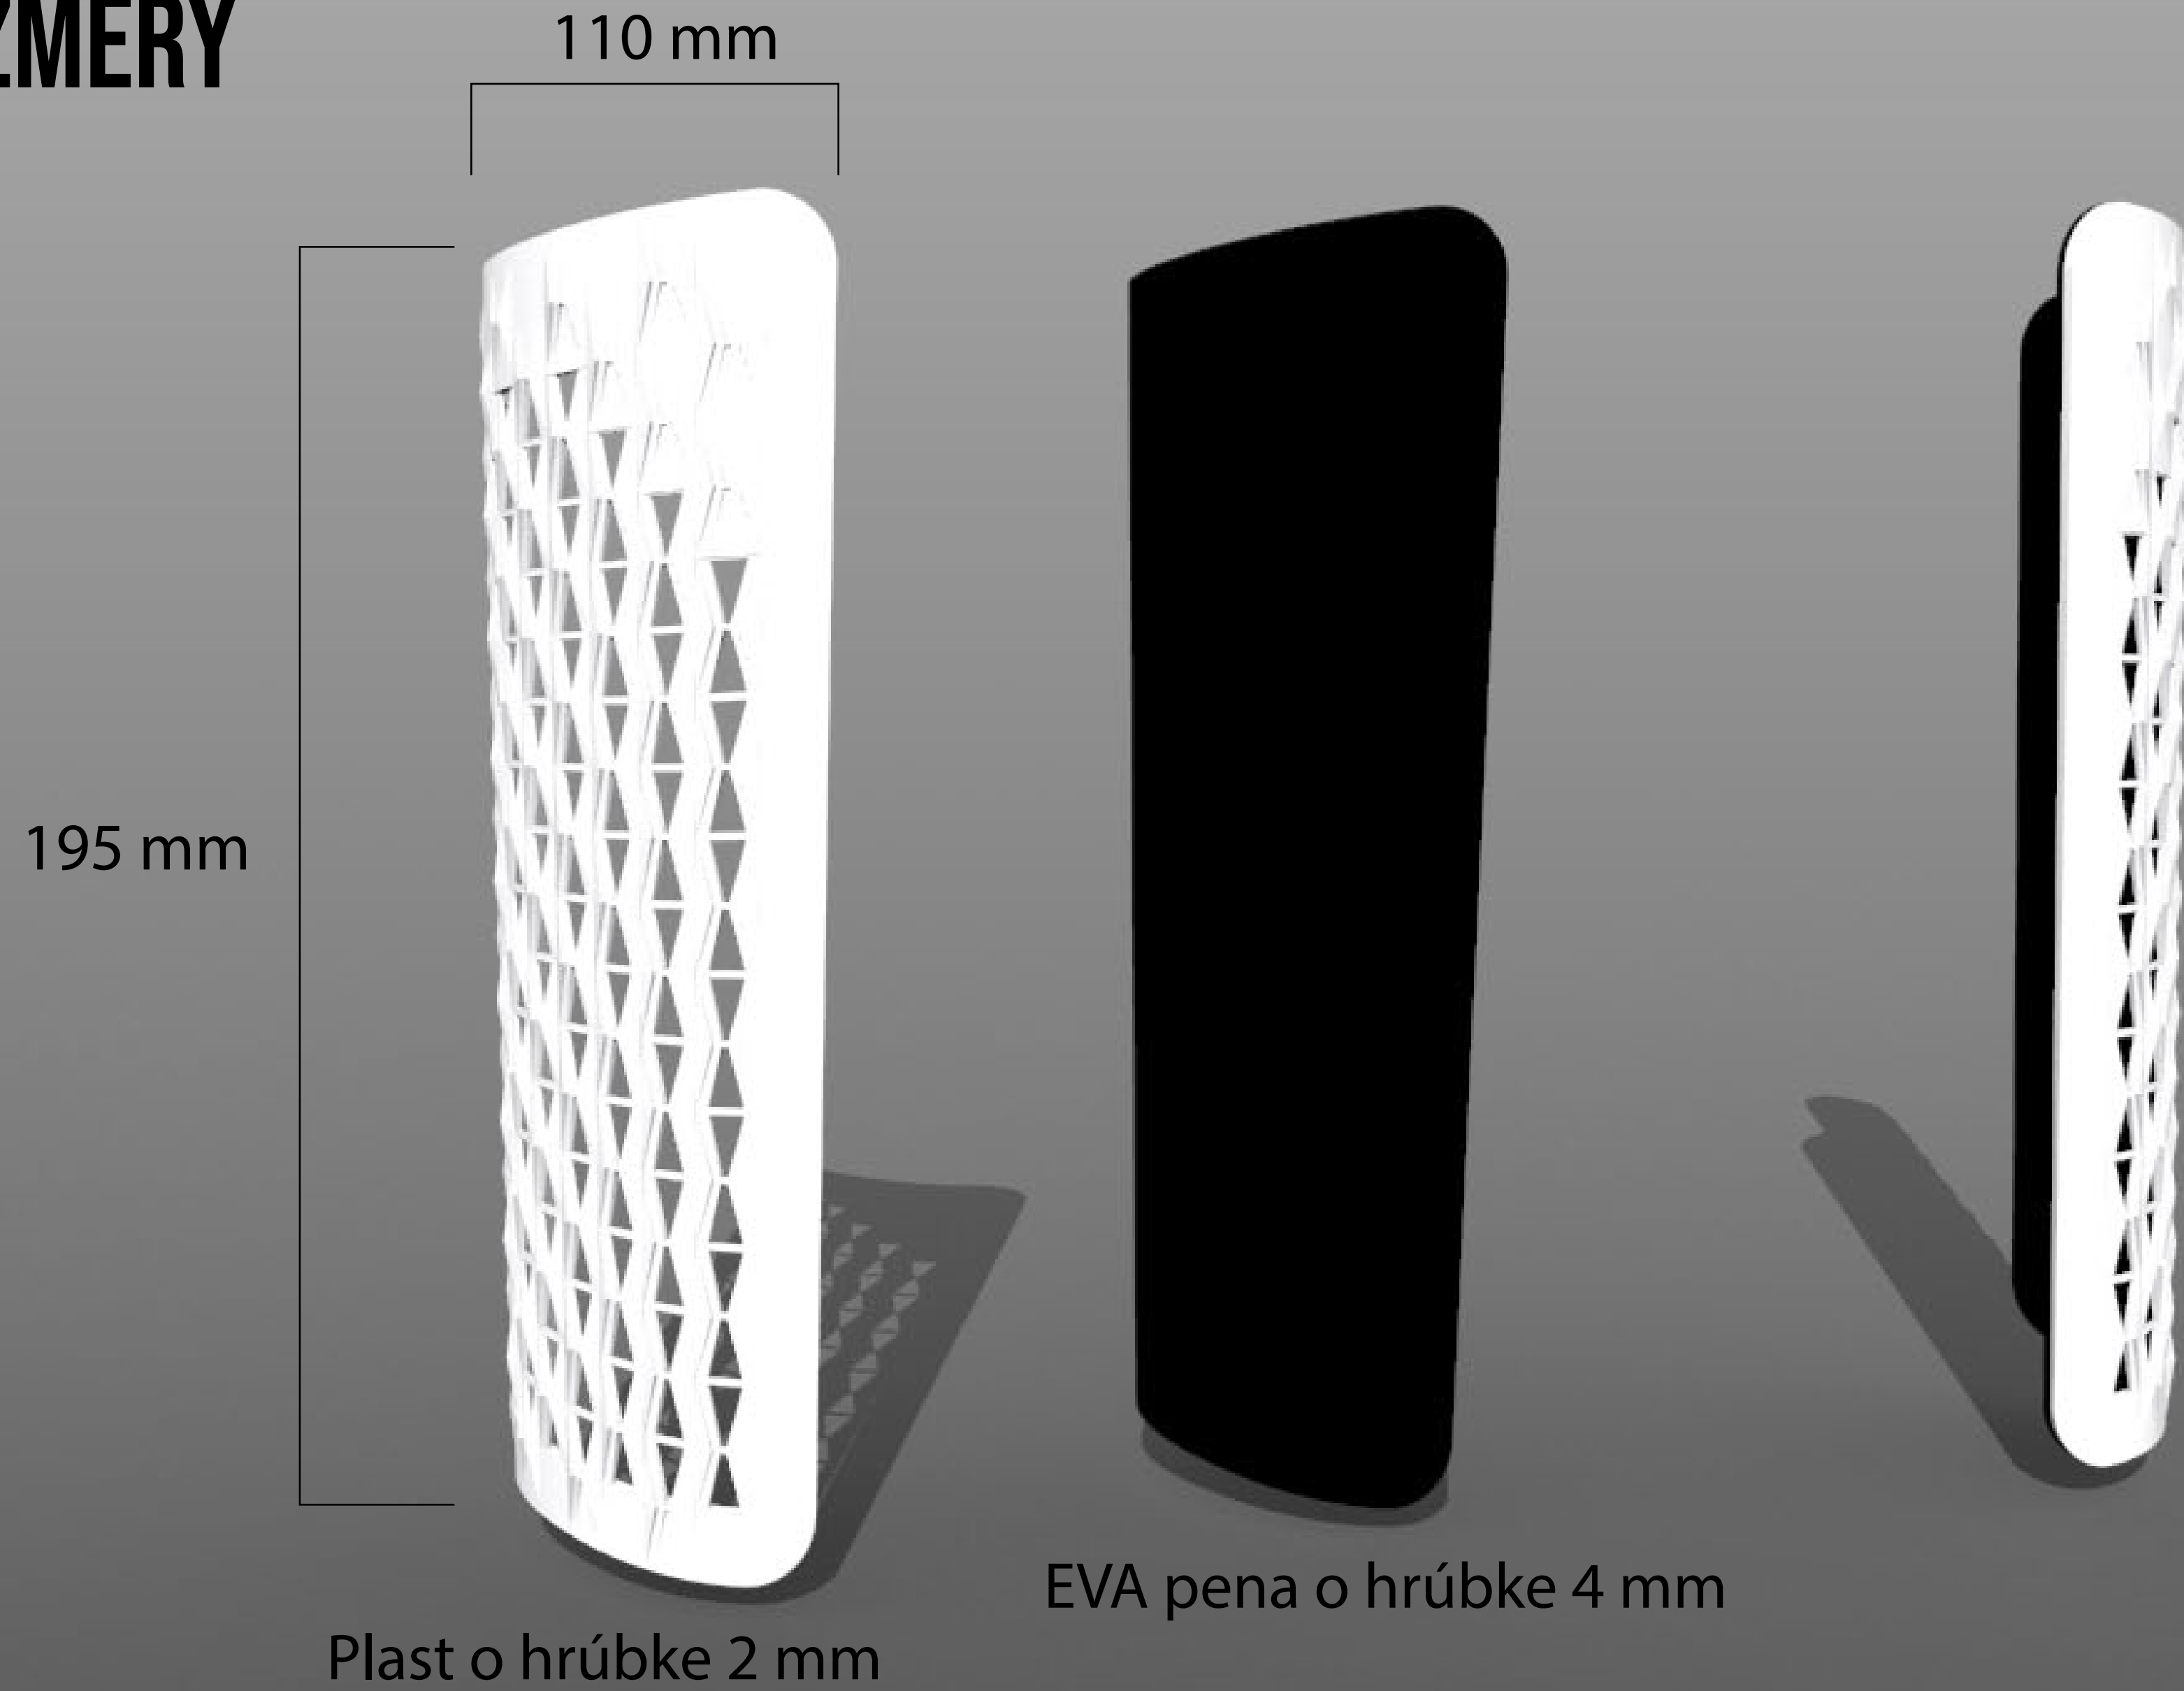

CIEĽ

Vytvoriť futbalové chrániče, ktoré budú odľahčené využitím perforovanej štruktúry.

Perforácia taktiež zaručí lepšie prúdenie vzduchu.

MATERIÁLY A ROZMERY

A 3D digital rendering of four human legs, two on the left and two on the right, each wearing a protective ankle guard. The guards on the left are black with a glowing cyan grid pattern, while the guards on the right are white with a non-glowing grid pattern. The legs are positioned as if walking, with soft shadows cast on the ground. The background is a plain, light gray.
