The first AC was great but the gameplay and game design was not quite perfect.I think AC 2 really is going to deliver.I haven't seen the score but I think it's going to be a 9.4 or even a 9.5.

▶ [Comrade-Stalin](#) posted 11-17-2009 12:00pm

Granted, it's a marked improvement on the first. I'm cautiously optimistic, and I'm hoping for the best.

▶ [Justin2150](#) posted 11-17-2009 12:10pm

Thats pretty interesting how ezio will age throught the game. Hopefully its not scripted aging.
