The interface displays a grid of various gift items such as a cup of coffee, a white kitten, a yellow smiley face, a thumbs up, a fox, a safe, a banana, a game controller, a green rabbit, a baseball bat, a guitar, a panda, a surprised face, a grinning face, and a pill bottle. A modal window titled "Choose gift" is open, showing a selected yellow Pac-Man character. Below the character is a list of recipients: Ondrej Hronec (selected), Klára Zimová, Tomáš Růžička, Miňo Lukáč, Adriána Daneck, and Josyf Šenkýř. At the bottom of the modal are "SEND" and "CANCEL" buttons.
