Lana Del Rey reveals tracklisting for debut album 'Born To Die'.

Singer's debut album is due out on January 30.

You have either been living under a rock or are over the age of 40 if you don't know who Lana Del Rey is by now. Or you don't use the internet much. Elizabeth Grant was another wannabe singer who released an album that failed. So she changed her name to Lana Del Rey, changed her looks from jeans and a T-shirt to glamazon starlet, complete with possibly-surgically-enhanced lips. She wrote and recorded a song called Video Games, made a video and put it up on YouTube. It has since been viewed 24 million times,
